## **Company Profile**

[NOVA Power Solutions, Inc.](http://www.novapower.com) is a purveyor of high quality power protection and transportation products and solutions. NOVA has been a leading supplier to the Military since 1988. NOVA's ruggedized uninterruptible power supplies are designed to MIL-STD compliance and well suited to shipboard, tactical military and other harsh operating environments. While NOVA's power quality solutions are customizable, they include power conditioners, converters, and distribution and battery backup solutions that provide customers a wide-range of power protection and backup alternatives. NOVA delivers award-winning technical support, customer service, and expert knowledge when providing unsurpassed power protection to mission-critical electronics. [NOVA Power Solutions](http://www.novapower.com) is a certified woman-owned, small business.
